rom Their Excellencies

Greetings all,

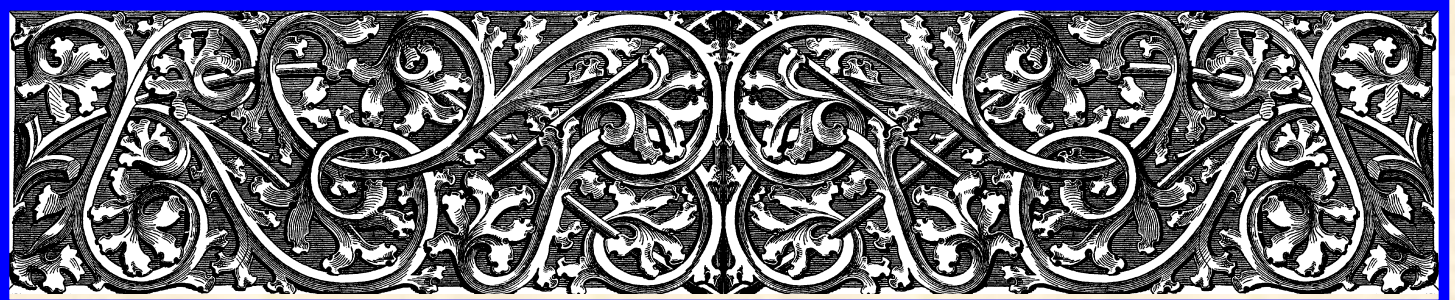

Thank you to everyone for making fighter practice at the museum such a huge success. We would especially like to thank Lord Edmund for the wonderful calligraphy classes and lectures. Please let us know what you think of the new location, we would like to make a decision at the end of April if the new location will be a permanent change. Your opinion matters, please make it known.

Preparations for Grand Outlandish are well under way. If you plan on camping please let Leah know. We have designated space but may need to request additional land if more people intend on camping. Citadel Saturday Night will be resurrected at Grand Outlandish this year, please speak with THLord Warmin to find out what you can do to help. We would like to show the Kingdom the hospitality that the Citadel is famous for.

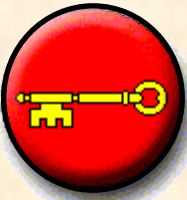

We are looking for volunteers for Clann Wars. There is plenty to do to make this the most awesome event in the Outlands. If you would like to assist please speak with Leah. A Clann Wars planning meeting will be in conjunction with the April officers meeting.

This summer promises to be very busy for the Citadel. With Grand Outlandish, Battlemore, Clann Wars and many events in between most of us will be traveling a lot, if you have room for an additional passenger please post to the list. In offering that space you will help someone live their dream, you might just make a new friend and save some money too.

Business Meeting Minutes

Seneschal: *The Ecolli-Inn will be open for: Outlandish, Battelmore and Clan Wars. If you have any questions, or would like more details, please contact Warmin. We need new ideas on how to collect toys. From having events where the site fee is toy donations to competitions at events that require a toy to participate, any idea is welcome and needed.*

Knight Marshal: *Greetings Populace of the Citadel. I would like to urge you all to make an effort to come out to our weekly fighter practices as much as possible. With you attending, it will show others that have interest in our group, what and who we are. If there is just a couple of us fooling around, it won't look quite as fun or interesting. Fighter Practice will be moving to Saturdays at Noon at the El Paso Museum of History starting 1st weekend in March (5th). El Paso Museum of History, 510 North Santa Fe Street.*

Exchequer: *The Citadel is still in good shape financially.*

Chiurgeon: *Still no injuries to report.*

Scribe: *There will be a scribe demo at the El Paso Museum of History on the 23rd of April. We ran out of finished bookmarks for the Calligraphy class taught on 26 March, 2011 at the Museum of History. To compensate I had the kids illuminate their own bookmarks; the event went well.*

Arts and Sciences: *With fighter practice at the Museum, there is no reason we can't work on A&S projects while the fighters are fighting. This is a great opportunity to for those interested in calligraphy; the current exhibit is more than inspirational and Lord Edmund is available to answer any questions as well as teach. For those not interested in working on scrolls, we can work on other projects. This is just a great opportunity to research history in an atmosphere that is designed to not only preserve history but attract those interested in history. Otherwise, no new events have happened with the A&S.*

Chronicler: *We need an Autocrat for the Masquerade/Birthday in October.*
